90/14 Machine Embroidery Needles that fit your machine

Darning foot, stippling foot, or embroidery foot

3 bobbins filled with white bobbin thread. (Purchased pre-wound bobbins generally don't work well with this technique. Use OESD bobbin thread, YLI Soft Touch, or Sulky polyester bobbin thread. The wrong bobbin thread can be a real problem) Wind your bobbins before class.

Little embroidery scissors

Be sure your sewing machine is clean and in good working order.
